About your policy

Please review all the wording carefully and ensure that this policy meets your needs.

Understanding and using your policy

This section 'About your policy' includes information which will help **you** to understand and use **your** policy.

Some words within **your** policy booklet and schedule have a special meaning. These are defined on page 10 of this booklet. 'Words with special meanings' will be printed in **bold type**.

Your insurance policy documentation is in three parts – this terms and conditions booklet, the policy schedule and the Insurance Product Information Document (IPID).

This booklet explains what is and what is not covered, how **we** settle claims and other important information.

The schedule shows which sections of the policy wording apply, the **excess**, the limits to the cover and the premium. Please keep **your** schedule with the policy wording.

We will send **you** a new schedule using **your** preferred method of contact whenever **you** or **we** make a change to the insurance and each year before renewal so **you** can check that the cover still meets **your** needs. If **you** want to change this method please let **us** know.

The IPID is a standardised Insurance Product Information Document (IPID), which provides clear information on **our** products, so that **you** can make informed decisions on how to meet **your** needs.

For new sales, once **you** have received **your** policy documentation **you** will have 14 days to make sure the cover is exactly what **you** need. For renewals, this will be 14 days from the date **your** new policy runs from, as listed in the policy schedule. **You** can ask **us** to make any necessary changes if required. Alternatively, **you** can request cancellation of the policy and **you** will receive a full refund of premium, as long as a claim has not been made. See page 11 and 12 for full details.

If **you** have any questions, please contact **us** on **0330 102 8256**.

Guidance on making a claim

Any Gas leaks should in the first instance be reported to the National Gas Emergency Service on 0800 111 999.

Call **our** claims helpline on **0330 102 8256**. It's helpful to have **your** policy number to hand when **you** call.

To help **us** deal with **your** claim quickly, please read this policy booklet carefully, particularly the Claims Conditions and Policy Exclusions on pages 13 to 14.

We will not cover the costs of work carried out by contractors not authorised by us.

Claim notification

Conditions that apply to the policy and in the event of a claim are set out in this policy booklet. It is important that **you** comply with all Policy Conditions and **you** should familiarise yourself with any requirements.

Directions for claim notification are included under claims conditions. Please be aware that events that may give rise to a claim under the insurance policy must be notified as soon as is reasonably possible.

Sometimes **we**, or someone acting on **our** behalf, may wish to meet with **you** to discuss the circumstances of the claim, to inspect the damage, or to undertake further investigations before making a decision as to whether the claim is covered under the policy.

Preferred suppliers

We take pride in the claims service **we** offer to **you**. **Our** philosophy is to repair or replace, where **we** consider it appropriate. **We** have a network of contractors and product suppliers dedicated to providing claim solutions.

Where **we** can offer repair or replacement through a preferred supplier **we** will do so, but if **we** agree to pay **you** a cash settlement, then payment will normally not exceed the amount **we** would have paid **our** preferred supplier.

If **you** appoint someone to act on **your** behalf or if **you** ask someone else to act on **your** behalf **you** must provide **us** with authority to allow **us** to deal with them. If **you** employ a professional to represent **you**, **you** will need to meet their costs yourself.
